Re: Winstead Sechrest & Minick P.C. Political Action Committee  
Year End Report (12/01/05-12/31/05)

In response to correspondence dated 01/20/06 from the Reports Analysis Division, regarding the above-referenced report: The \$2500 contribution to Senator John Comyn dated 12/13/05 shown on the year-end report was never distributed to the Senator. The check was returned to the committee in January, 2006 and was voided. This transaction will be recorded as a returned contribution (a negative entry on line 23 of Schedule B) on the committee's next report for the month of January, 2006.
